---

### **Speaker:** David Lennarz, President and Co-Founder, Registrar Corp

David Lennarz is a graduate of the University of Virginia and has worked for nearly 22 years in FDA-regulated industries in the U.S. and Europe. Mr. Lennarz has conducted seminars on U.S. FDA regulations for trade associations, trade shows, and governments in more than 30 countries around the world. He served as a Technical Expert for the U.S. FDA Foreign Facility Registration Verification Program operated by FDA's Division of Field Investigations. He co-founded Registrar Corp in 2003 and is based at Registrar Corp's headquarters in Hampton, Virginia

Registrar Corp provides compliance services for manufacturers, exporters, and importers regulated by the U.S. Food and Drug Administration. Services for the cosmetics, food and beverage, drug, and medical device industries are offered on a fixed-fee basis. Registrar Corp is made up of over 200 people worldwide, with more than 100 staff members based in the U.S., including former FDA officials, scientists, and Regulatory Specialists.
